Premier General Insurance,
Pune

Dear Vibhavari,

It's my pleasure to mention that unlike most of the Insurance advisors, where Customers need to follow up for renewals or optimum plan offerings; working with you has been a different positive experience.

All of our insurance requirements like overseas travel insurance, vehicle insurance as well as employees' insurance are always handled precisely by you as per our needs even at a very short notice.

Key point of highlight is that the Claim lodged by one of my employees was settled so smoothly that without a single mail or phone call from me. I really appreciate your prompt and speedy execution for claim settlement.

I will definitely recommend you to my friends & colleagues.
Wishing you all the best!

Thanks & Warm Regards
